### **SERIES POINTS**

To qualify for the end of Series points, riders must enter and pay for the same age class in a minimum of 5 of the 6 sanctioned race meets within the Eastern Region.

Result based series points are recorded from 4 motos from all meetings using the following point's scheme.

Place	1st	2nd	3rd	4th	5th	6th	7th	8th
Points	10	8	6	5	4	3	2	1

Riders receive 3 bonus points from each of the seven rounds in which they compete.

For age class series awards, a rider's total Series Points are calculated from:

all seven rounds, plus bonus points from all rounds. Any ties at the end of the series will be awarded equally.

Any sprocket riders turning 8 will receive 3 bonus points for every meeting they have competed in as a sprocket plus normal results based points gained after advancement.

To gain series points on wet days, riders must be entered and ride at least the first moto.

If racing is washed out, points will count from completed motos plus the bonus points on competing.

### **AWARDS**

Trophy boards will be available at each round to be purchased by riders for \$ 30

Mini Metro Plate disc and name plates will be handed out after the 5<sup>th</sup> round to riders that have purchased boards.

At the final Eastern Region Clubs round – series awards will be presented as part of the event to riders that have qualified.
