

ENVY 3LK series

The new *ENVY 3LK* isn't just another carbon frame. It's built with High Modulus, high impact carbon, with Nano Alloy resins. It seriously uses Formula 1 and Fighter Jet Technology to build you a feather-weight Superframe.

4 YEARS IN DEVELOPMENT

HIGH MODULUS/NANOTUBE CARBON

4 FRAME SIZE OPTIONS

PRO, PRO PLUS, PRO XL & PRO XXL

1 SUPER LIGHT-WEIGHT
